

Products & Services Overview

With a rich heritage going back to 1862, DNOW stands as a world-class distributor of PVF, pump packages, electrical products and engineered process and production equipment, serving diverse energy and industrial markets. We also offer MRO, industrial supplies, PPE and safety equipment to ensure your operations run safely and efficiently.

DNOW is more than just a supplier. We are your partner in innovation, offering advanced supply chain solutions and DigitalNOW® technology for fast and efficient digital commerce and data management. Wherever you operate, we are ready to support you with our strategic network of locations.

Choose DNOW. Empower your operations. **Run stronger** today.

PIPE & TUBE

Carbon Steel Pipe

- 1 in. – 36 in.
- ASTM A/SA-3 Gr. A/B
- A/SA 106 Gr. B/C
- A/SA 333 Gr. 1/6
- API 5L Gr. B, Gr. A25
- API 5LCP
- X42
- X52-X70

Carbon Steel Coiled Line Pipe (CLP)

- 1 in. – 4 in., up to SCH80
- A53B to X-90C
- Reel lengths up to 8,500 ft.

Instrumentation Tube

- Welded stainless steel
- Seamless stainless steel

Stainless and Alloy Steel Pipe

- ½ in. – 24 in.
- ASTM A312, A376, A790
- TP304/L, TP316/L
- ASME B36.19
- UNS S32205

Piping Accessories

- Strainers and suction diffusers
- Steam traps
- Closures
- Expansion and swivel joints
- Repair clamps, bleed rings
- Air vents, flame arresters

Fiberglass Line Pipe

- 2 in. – 14 in. high-pressure threaded line pipe, up to 3,500 psi
- 16 in. – 42 in. large diameter line pipe (bonded/key lock), up to 750 psi
- Spoolable line pipe up to 9,000 ft. (2,740 m)
- Casing and production tubing

Corrosion Control

- High-performance pipe coatings: FBE, ARO
- Tank linings
- Pipe wrap tape
- Cathodic protection

VALVES & ACTUATION

Upstream Valves

- API 6A gate – 1-1/16 in. – 7-1/16 in.
- API 6D floating ball and trunnion mounted ball – 1/2 in. – 60 in.
- Modular ball (DBB) – 1/2 in. – 24 in.
- Check – 1/2 in. – 60 in.
- Plug – 1/4 in. – 24 in.
- Choke – 1-1/16 in. – 7-1/16 in.

Engineered Valves and Packages

- Engineered trunnion ball
- Welded-body ball
- Slab gate, expanding gate, knife gate
- Needle
- Double block & bleed plug (DBB)
- Choke
- Control
- Emergency shutdown

Midstream and Gas Utility Valves

- API 6D gate – 2 in. – 72 in.
- API 6D lubricated and expanding plug – 3/4 in. – 24 in.
- API 6D floating ball and trunnion mounted ball – 1/2 in. – 60 in.
- Piggable valves

Valve Actuators and Packages

- Pneumatic
- Direct gas
- Electric
- Electro-hydraulic
- Gas hydraulic
- Hydraulic
- Linear fluid power
- Actuator accessories
- Control components
- Mounting hardware

Valve & Actuation Services

- Installation and calibration
- Valve modification and repair
- Trim and seat replacement
- Reconditioning and recertification
- Actuation package design

Downstream and Industrial Valves

- API 600/603 gate, globe and check – 2 in. – 60 in.
- API 602 gate, globe and check – 1/4 in. – 4 in.
- HF acid API 602/d API 600 gate, globe and check – 1/2 in. – 36 in.
- Flanged, threaded and socket-weld ball – 1/4 in. – 60 in.
- Pressure seal – 2 in. – 24 in.
- Wafer/Dual plate check – 1-1/2 in. – 60 in.
- Resilient seated butterfly – 2 in. – 144 in.
- Triple offset butterfly – 3 in. – 120 in.
- High-performance butterfly – 2-1/2 in. – 60 in.
- Instrumentation – 1/4 in. – 1 in.
- Cryogenic – various sizes

FITTINGS & FLANGES

Weld Fittings

- Carbon steel
- High yield carbon steel
- Stainless steel and special alloys
- Heavy wall

Pressure Fittings

- Forged carbon steel
- Stainless steel and special alloys
- Forged steel branch connections
- Cast and malleable iron
- Nipples, swages and bull plugs
- Hammer unions.

Fiberglass Fittings

- ASTM D2992 Procedure B fittings
- API 15HR fittings
- Fabricated piping assemblies (spools)

Flanges

- Carbon steel
- High yield carbon steel
- Stainless steel and special alloys
- API flanges
- Spectacle and paddle blinds
- Fiberglass flanges

Gaskets/Fasteners

- Spiral wound gaskets
- Ring type joint (RTJ) gaskets
- Heat exchanger gaskets
- Non-metallic gaskets
- Stud bolts (black steel, cadmium and PTFE coated)
- Carbon and stainless steel fasteners
- Isolation kits

ELECTRICAL & INSTRUMENTATION

Electric Cable & Accessories

- Onshore and offshore cable – BS, NEK, IEC
- Heattrace cable and accessories
- Cable glands and accessories
- Thread adapters, reducers and stopping plugs
- Crimp terminals and tooling

Cable Management

- Cable trays and ladder
- Channel support systems
- Cable cleats
- Cable transit systems
- Cable ties, banding and markers
- Cable joints and terminations

Lighting & Lamps

- Linear lighting – LED and fluorescent
- Floodlighting – LED and HPS
- Torches, flashlights and handlamps
- Beacons, alarm callpoints, sounders and speakers
- Temporary and emergency lighting
- Helideck lighting

Switchgear, Fuses & Enclosures

- Junction boxes and control stations
- Installation switches
- Switch isolators
- Distribution boards
- Miniature circuit breakers (MCB)
- Fuses and fuse holders

Earthing, Bonding & Direct Strike

- Earth/Ground rods and cables
- Connectors
- Direct strike air terminals
- Earth/Ground pits

Electronic Interface

- Power supplies/UPS
- Surge protection
- Circuit breakers
- Modular terminal blocks
- Relay modules
- Human machine interface
- Automation
- PCB terminal blocks
- PLC-interface units
- Sensor actuator interface

Intrinsic Safety Products

- Zener barriers and galvanic isolators
- Mobile phones and tablets
- Signal conditioning
- I/O systems

Instrumentation

- Electronic and mechanical
- Pressure, temperature and level sensors
- Gauges and accessories
- Instrument valves, fittings and hose assemblies

SAFETY, PPE, SERVICES & RENTALS

Personal Protective Equipment (PPE)

- Head protection
- Eye and face protection
- Respiratory protection
- Hearing protection
- Gloves and footwear
- Electrical and arc flash protection
- Fall protection
- Fire protection and FRC
- Protective clothing and workwear

Safety Equipment

- First aid
- Emergency wash stations
- Spill control
- Identification and signage
- Lockout and tagout
- Alarms and warning devices
- Ergonomics
- Gas detection and monitoring
- Lighting
- Safety storage
- Traffic safety

Safety Equipment Rentals

- Gas monitors
- Respirators and hose
- Breathing air
- Ventilation
- Harnesses, lines and lanyards
- Eyewash stations and safety showers
- Safety lights
- Fire extinguishers
- Turnaround trailers

Safety Services

- Equipment inspection, repair, maintenance
- On-site safety stores
- Safety training

INDUSTRIAL & FACILITIES SUPPLIES

- Abrasives
- Adhesives, sealants, tape
- Lubricants and lubricators
- Janitorial supplies

- Industrial chemicals and cleaners
- Material handling
- Marking products
- Facilities and fleet maintenance

- Hand tools and power tools
- Welding equipment

DRILLING, PRODUCTION & COMPLETIONS

Drilling Products

- OEM equipment
- Wireline and slings
- Tong dies and inserts
- Pipe wipers
- Fluid treatment
- Drilling fittings
- Fluid end parts
- Drilling hose
- Drilling compounds
- Mud buckets
- Power end parts
- Elevators
- Wire rope

Completion Services

- Clean outs and drill outs
- Fishing and retrieval
- Frac assist services
- Mills, bits and shoes

Power Transmission

- Hydraulic hose and couplings
- Pneumatic hose and couplings
- Roller chain and belts
- Sprockets, pulleys and sheaves
- QD bushings
- Rotor seals
- Shaft couplings

Artificial Lift Systems

- Cable trays and ladder
- Rod pump systems, parts and accessories
- Progressive cavity pumps, parts and accessories
- Hydraulic jet pumps
- Well automation and control packages
- System design and analysis
- Artificial lift systems training

Production Equipment

- Wellhead parts
- Blowout preventers (BOP)
- Chokes
- Storage compounds
- Spill protection

PUMPS & ROTATING EQUIPMENT

Oil & Gas Pumps

- Turnkey
- Offshore
- Water transfer
- Custom-designed packages
- Chemical injection
- Tank battery solutions
- Pipeline pumping
- Surface pumps

Industrial Pumps

- Turnkey pump packages
- Slurry pumps
- Water transfer
- Custom, engineered packages
- Chemical metering pumps
- Chemical process and transfer
- Cooling tower circulation
- Wastewater transfer and treatment
- Railcar loading and unloading

Municipal Pumps

- Booster stations
- Wastewater plants
- Lift stations
- Controls
- Flood control
- Water and wastewater solutions

Air Compressors & Blowers

- Screw compressors
- Reciprocating compressors
- Instrument air packages
- Air dryers
- Oil-free air blowers
- Air storage tanks

Mechanical Seals

- Compressor seals
- Gas barrier seals
- Metal bellows seals
- Mixer seals
- Pusher seals
- Slurry seals
- Cartridge seals
- Seal support systems

Low-Emissions Pumps

- Zero emissions process pumps
- Sealless magnetic drive centrifugal pumps
- Solar-powered chemical and glycol pumps

Pump Rental

- Bypass pumping
- Water transfer
- Dewatering
- Saltwater disposal (SWD)
- Marine rental
- AODD pumps
- Mobile horizontal pumping systems (HPS)
- Hydraulic jet pumps

Pump & Rotating Equipment Service

- Pump repair, overhaul and machining
- Mechanical seal repair and upgrades
- Alignment and startup
- Component replacement and upgrades
- Preventative maintenance
- Service trucks and emergency service
- Pump and mechanical seal training

FABRICATED PROCESS & PRODUCTION EQUIPMENT

Production Equipment

- Gas measurement skids
- Instrument air compressor skids
- Lease automatic custody transfer (LACT) units
- Pig launchers and receivers
- Meter runs
- Vapor recovery units (VRU)

Pressure Vessels

- Separators
- Heater treaters
- Gas conditioning systems
- Process towers and columns
- Reactors
- Condensate stabilizers
- Slug catchers
- Pressurized bullet tanks

Water Management

- Produced water transfer units
- Waterflood and saltwater disposal (SWD)
- Water filtration vessels

Carbon Capture & Emissions Control

- Biogas purification systems
- Oxygen removal systems
- Hydrogen sulfide removal systems
- Vapor management systems
- Mobile gas treatment systems
- Gas stream cooling systems
- Production site emissions profiling and quantification

Process Equipment Engineering & Design

- Tank battery design
- Modular unit fabrication
- Site evaluation
- Advanced process simulation
- Complete as-built design drawing sets

SUPPLY CHAIN SOLUTIONS

Inventory Management

- Leveraged sourcing and procurement
- Surplus product management
- Demand planning and forecasting
- Site surveys
- Warehouse and yard management

Project Management

- Project planning
- Material standardization
- Ordering and invoicing
- Material staging and expediting
- Quality inspection and documentation
- Safety programs and training

Digital Solutions & Technology

- B2B ecommerce catalogs
- ERP integration
- Analytics and data visualization
- Asset tracking, monitoring and lifecycle management
- Automated inventory control
- Mobile apps and online configurators
